

REMARKS/ARGUMENTS

No new matter is being added by virtue of the amendment to the claims.

Claims 21-79 are being added. Support for the new claims are disclosed in, for example, Figures 5-8 and associated text in the specification of U.S. patent no. 6,175,865 which has been incorporated by reference in the accompanying patent application.

Applicant respectfully requests that a timely Notice of Allowance be issued in this case.
